### Blue Magnum Body Slides

Wipe Out - A high riding surfing experience for either single or tandem (with your child). Just be careful you don't Wipe Out!

Kamikaze - It's just you and the slide: loaded with turns, drops and a few surprises right down to the final impact!

Corkscrew - Corkscrew say's it all! Be ready for all the twists and tugs as you uncork this one and pour into the awaiting pool.

Twister - First Thunder, then Lightning and now a Twister. Twist and turn and prepare yourself for your final touchdown. The weather at Mt. Olympus rocks!

**SINGLE OR DOUBLE RIDERS: 48" (122 cm) OR TALLER WITH OR WITHOUT AN ADULT. KAMAKAZE MUST BE 48" OR TALLER SINGLE RIDERS ONLY.**

## Thunder & Lightning

Thunder - With a flash and a rumble you come crashing down the slide pouring through a watery, winding journey into the run out. Don't let anyone steal your Thunder!

Lightning - In seconds riders are out of view, bolting through an electrifying tunnel as fast as lightning - you won't know what hit you!

**SINGLE RIDERS: 48" (122 cm) OR TALLER WITH OR WITHOUT AN ADULT SUPERVISION.**

## Triton's Tower Complex

### Six Lane Downhill Racers

Triton's Challenge - On your mark, get set, GO! Challenge your family or friends to compete on this side-by-side, six-lane downhill racer for over 350 feet of pure racing excitement at it's best. Who will be the first to reach the finish Line?

### Multi-Person Family Raft Rides

Triton's Fury - Family togetherness is the theme for this raft ride. Up to four of your family members or friends will splash, laugh and scream down this 340-foot long raft ride after you hit the 90-degree turn. Be sure your hanging on!

Triton's Rage - Will be a family favorite - another multi-person raft ride. After you climb the 5-story tower, you'll have to prepare yourself and friends for the 550-foot descends through a variety of twists, turns and drops. Guaranteed to put a little excitement in your day.

NO RIDERS UNDER 36" ( cm). Individuals 36" ( cm) to 48" (122 cm) in height must be accompanied by an adult.

### Doubles Up Tube Slides

Grab a friend and a tube and prepare yourself.

**Double Barrel** - Once you enter there is no return. Encased in a tunnel - never knowing what is around the next bend as you slide through this watery winding journey in an inner tube made for two. - A thrill ride for the daring!

**Double Trouble** - An awesome slide for mom or dad with a child. A great slide to test the waters of young and old alike.

**Deuces Wild** - Ride high on the curves and race down the straightaways. You will splash, laugh and scream with delight, you sure to have a blast!

Individuals under 48" (122 cm) in height must be accompanied by an adult.

**Mystical Tower Tube Slides**

**Anaconda** - It's the biggest and longest - the king of slides and getting there is half the thrill! Climbing to the platform that

almost touches the sky then plummeting down into a shimmering jungle pool that leads you on a journey to Mayan Raging River.

Boa - It wraps itself around you (and a friend) as you challenge the tightening coils - the pressure builds until you are finally released into a tropical pool.

SINGLE or DOUBLE RIDERS: 48" (122 cm) OR TALLER WITH OR WITHOUT ADULT SUPERVISION.

### Speed Slides

Demon's Drop - One of the world's steepest and fastest water slides; it's an 85-foot sheer drop. This slide is virtually straight down, which lets you "free fall" until the water catches up with you - It's a heart-stopping devilish experience.

Dragon's Tail - Towering 7 stories, it's a 300-foot double-drop speed slide that will give you the thrill of a lifetime! Slay the dragon. the second (bump) will surprise you.

SINGLE RIDERS ONLY: 48" (122 cm) OR TALLER MIN. WIEGHT 100lbs

## Tidal Wave

This gigantic Tidal Wave pool (one of the Midwest's largest!) is where you can ride the wild surf or lay on the beach and watch all the action. The waves create an ocean of fun! So, catch a wave all the way in or just bob on the breakers. The shallow water area is well marked for non-swimmers and those who want to lounge in the waves and enjoy a little surf action.

Individuals under 48" (122 cm) in height must be accompanied by an adult.

**U.S. COAST GUARD APPROVED LIFEVESTS RECOMMENDED FOR WEAK OR NON-SWIMMERS.**
